Re Case 16-cv-00525-VC, Dkt. No. 143

As previously explained, the Court is of the view that all pending motions to seal should be denied and all items on the docket for which a motion to seal is pending should be unsealed. *See* Pretrial Order No. 168, Dkt. No. 4655. The parties were given 14 days to file a response if they were in disagreement with this course of action, and no party filed a response. Accordingly, all pending motions to seal are denied, and the items on the docket are unsealed.

IT IS SO ORDERED.
