This document relates to:

Brandi Troxel v. Monsanto, Case No. 3:21-cv-01215

**PRETRIAL ORDER NO. 258:
CORRECTING PRETRIAL ORDER
NO. 255**

Re: Dkt. No. 14133

In Pretrial Order No. 255, the Court granted Monsanto's motion to dismiss certain plaintiffs for failure to submit updated fact sheets. *See* Dkt. 14133. The parties recently brought it to the Court's attention that that Order contained errors and that two cases should be reopened while one case should be closed. *See* Dkt. 14360 at 2. Accordingly, the Court orders as follows:

- The Clerk of the Court is directed to reopen *J.P. Stewart v. Monsanto*, Case No. 3:20-cv-02415 and *Brandi Troxel v. Monsanto*, Case No. 3:21-cv-01215.
- The Clerk of the Court is directed to close *Nina Stewart v. Monsanto*, Case No. 3:20-cv-00643.

IT IS SO ORDERED.
