

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: ROUNDUP PRODUCTS
LIABILITY LITIGATION

MDL No. 2741

Case No. 16-md-02741-VC

This document relates to:

Vosper v. Monsanto, Case No. 19-cv-05525

Chapman v. Monsanto, Case No. 20-cv-
01277

**PRETRIAL ORDER NO. 260: ORDER
RE MOTIONS TO EXCLUDE
TESTIMONY OF DR. SAWYER
(WAVE 3 CASES)**

The Court previously ruled on what Dr. Sawyer would and would not be allowed to testify to. *See* Pretrial Order No. 201 (dkt. 9142). Accordingly, Monsanto's motion to exclude the testimony of Dr. Sawyer is denied, but Dr. Sawyer may only provide testimony consistent with parameters set forth in Pretrial Order No. 201. *See id.*

To the extent Monsanto moves to exclude Dr. Sawyer's testimony on issues unrelated to causation (*e.g.* Dr. Sawyer's testimony "on Monsanto's company documents and Monsanto's regulatory duties"), those are issues that are more appropriate for the district judge who will be trying these cases. *See* Pretrial Order No. 202 (dkt. 9143). Accordingly, Monsanto's motion to exclude Dr. Sawyer's testimony on these grounds are denied without prejudice to filing new motions with the district judges who will be trying the cases. *Id.*

IT IS SO ORDERED.

Dated: December 29, 2021

VINCE CHHABRIA
United States District Judge
